Welcome!

We are absolutely delighted you have taken the step to contact us.

We are here to offer support to Family & Friends affected by Autism, Asperger's Syndrome & ADHD.

If your child has recently been diagnosed, life can feel completely inside out! Or maybe it's a relief to know this is not your child's fault (or yours). We've all been there!

[That's why we can help you.](#)

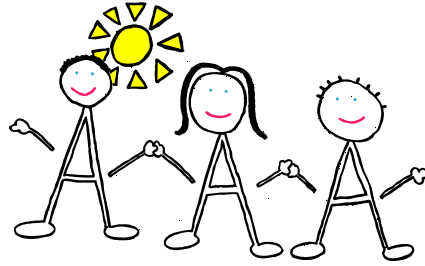

Please feel free to contact the above number to chat to one of our members, or drop a line to the above e-mail address.

We look forward to seeing you soon.

Kindest Regards.

Alice O'Donnell
Chairperson.
